

Little Bugs Club!

A fun, interactive monthly garden club for kids ages 4-12!

Fall 2017 Schedule

September 23 –Dig in!

Time to compost our spring garden and plant for the fall! But, before we get our garden in shape, we'll quickly do our make & take! A lima bean seed we all will sow then finish with garden yoga to help us grow!

October 21 - Creepy Crawly Towers

Come one, come all to the creepiest tower of them all! We'll begin with cinderblock and in between add wood... Fill in with "goodies" to create a bug neighborhood... Or perhaps a home for our friend Mr. Toad! A toad house for each of you to paint, then in your yard for Mr. Toad, you wait!

November 18 - "Weave" Got Creativity!

With the spring plants from the garden now dying, we must bring new life... to what once was growing we'll turn into a piece of art! Come weave in some grasses, wild flowers and such to take home something beautiful from the very nature we love.

December 16 - Holiday Treats for our Garden Friends

The holidays are approaching, everyone likes a gift! And as it is said, "there is pleasure in giving verses waiting to get". The birds and the squirrels in the garden we see, let's make them a gift, yes, you and me! Birdseed ornaments we'll make and to them such a treat! It'll make you feel wonderful having done something so sweet!

*All sessions at 10am and subject to change.
Cost is \$10 per child (\$8 for additional siblings)
pre-registration required*
